Manager, Regulatory Review Manager

Alberta Finance and Enterprise, Edmonton - Are you looking for an opportunity to engage in work that makes a positive difference for Albertans and the business community? Alberta's regulatory reform initiative is a government-wide effort. Together with your team members and government ministries, you will support the initiative's overall goals to improve regulatory quality and identify opportunities to streamline regulations and reduce the regulatory burden of government.

Reporting to the Director, you will provide leadership, expertise, advice and recommendations related to government's regulatory reform activities. You will also implement government policy to advance a cultural shift in government from traditional to smart regulation and provide expertise and advice to ministries in developing their reform strategies and activities. You will provide consultative support for the analysis conducted when regulations are developed and reviewed in addition to supporting the coordination of reform projects. In this position, you will be responsible for key operational areas including supervision of a team, the review of regulatory proposals, and implementation of regulatory reform activities.

To be successful in this position, you will be a strategic thinker with the ability to link long-range visions to daily work and thinking. You have an excellent understanding of how regulation impacts business and the ability to link regulatory detail to policy objectives. You demonstrate an understanding of the principles of mediation, adult learning and problem solving. Your ability to see the big picture, build relationships and manage issues will facilitate success in this dynamic and rewarding work environment.

Qualifications: The position requires a University Degree with several years of progressively responsible experience in a business environment, preferably at the management level. Some government experience is desirable. Equivalencies will be considered.

NOTE: Final Candidates for this position will be asked to undergo a security screening. This competition may be used to fill future vacancies. Candidates not meeting full qualifications may be considered at a lower level.
