**Project Lead, Supplemental Pension Plan
Senior Manager 2**

Alberta Finance and Enterprise, Edmonton - Alberta Public Service vision: Proudly working together to build a stronger province for current and future generations. Your vision: Leading the Government of Alberta to create a supplemental pension plan with the potential to affect the wellbeing of Albertans for generations to come.

The Pension Policy Branch is seeking a highly motivated and experienced individual to play a lead role in developing a proposal for a voluntary supplemental pension plan that would be available to all Alberta employers, employees, and the self-employed.

You are an ideal candidate if you have a passion for breaking new ground and positively affecting your fellow Albertans. You will utilize your knowledge and experience with government process and your strong public policy skills to organize and coordinate the proposal process in collaboration with government professionals, senior officials and external pension experts across Alberta, British Columbia and Saskatchewan.

Reporting to the Executive Director, Pension Policy, your extensive consultation skills will be relied upon to provide leadership and communicate progress across 3 jurisdictions with a number of professionals in a number of disciplines.

This is a project position for one year with potential for extension.

Qualifications: University degree in a relevant discipline is required along with extensive progressively responsible experience in a related area. Experience in public policy and intergovernmental relations would be an asset. Equivalencies considered.

NOTE: Final candidates will be asked to undergo a security screening. This competition may be used to fill other positions or future vacancies. Secondments will be considered.
